We know reps who SELL mouse pads to their schools. Advisers love them!

A YTO guide right at the end of their mouse with Jostens and you on it!

Every Monarch School Needs These!

Great for workshops!

Show prospects you "get" InDesign!

Each year in late March-early April, we place an order for mouse pads for Jostens reps. And each year, June through February we get e-mails from reps asking if we have any more YTO mouse pads.

The answer is always **NO!**

Why not? Because we don't order any more than you order.

We have had extra InDesign mouse pads in the past due to an over order but they are gone now and we are ordering new on the gloss stock.

So the message here is: **If you want mouse pads—ORDER NOW!**
